DECLARATION OF JENNIFER KNEPPER

I, Jennifer Knepper, hereby state:

1. I am currently employed by the Federal Bureau of Prisons ("BOP") as an Attorney Advisor at the United States Penitentiary (USP) at Lewisburg, Pennsylvania. I have been employed by the BOP since September 2007.
2. I certify the documents attached to this declaration:
 - a. are true and correct copies of records maintained by the BOP;
 - b. were created at or near the time of the occurrence of the matters reflected therein by someone with knowledge; and
 - c. were made by the BOP as a regular practice.I am a custodian of the documents or am otherwise qualified to execute this certification, pursuant to Fed. R. Evid. 803(6) and 902(11).
3. Inmate Cedric Walker, federal register number 77071-279, is currently confined at USP Coleman, Florida. Attachment A, Public Information Inmate Data. The allegations in the complaint concern his confinement in the Special Management Unit at USP Lewisburg. On September 11, 2012, Walker was sentenced in the Southern District of Texas to a total term of one-hundred sixty-one (161) months incarceration for Armed Bank Robbery and Brandishing a Firearm in Furtherance of a Crime of Violence in violation of 18 U.S.C. §§ 2113(a) and (d)(2), and 924(c)(1)(A)(ii). His anticipated release date is currently January 26, 2023.
4. Attached hereto as Attachment B is a true and accurate copy of inmate Walker's chronological disciplinary history. Inmate Walker identifies Incident Report Numbers 2711970, 2712080, 2712189, 2712509, and 2712996 in his complaint. He was sanctioned with a loss of twenty-seven days of good conduct time for each incident.
5. The BOP has established an administrative remedy procedure through which an inmate may seek formal review of a complaint relating to any aspect of his confinement. 28 C.F.R. § 542.10, *et seq.* Inmates first informally present their complaint to staff in an attempt to resolve the matter. 28 C.F.R. § 542.13(a). If informal resolution is unsuccessful, the inmate then presents the issue to the Warden within twenty (20)

calendar days of the events giving rise to the complaint. 28 C.F.R. § 542.14. An inmate who is not satisfied with the Warden's response may appeal to the Regional Director within twenty (20) calendar days. 28 C.F.R. § 542.15. If the response of the Regional Director is not satisfactory, the inmate may then appeal to the BOP's Central Office within thirty (30) calendar days. If an inmate reasonably believes the issue on which he is filing is sensitive and his safety of well-being would be placed in danger if the request became known, he may submit his remedy directly to the appropriate Regional Director. 28 U.S.C. § 542.14(d)(1). If the Regional Director finds the remedy is not sensitive, it will be rejected with a notice indicating as such and directing the inmate to file at the institution level. Rejected remedy submissions are generally returned to the inmate and not maintained by the BOP.

6. The BOP maintains a database of all formal administrative remedy submissions. Each administrative remedy is given an identification number upon submission and the database, among other things, indicates the date it was received, the nature of the complaint, and the institution at which the complaint originated. Each identification number is followed by a letter representing the various administrative levels: F for the institution, R for the Regional Office, and A for the Central Office. The number following the letter indicates the number of times that remedy has been filed at that level.
7. Since Walker has been designated to the custody of the BOP, he has filed fifty-five (55) administrative remedies. Attachment C is a true and correct copy of Walker's SENTRY computer generated Administrative Remedy Generalized Retrieval.
8. Walker filed Administrative Remedy 907484-F1 at the institution on June 29, 2017, concerning his alleged placement in restraints for ten days. His remedy was denied on August 7, 2017. Walker appealed to the Regional Office via Remedy 907484-R1 on September 6, 2017. His appeal was denied on September 21, 2017. Walker appealed to the Central Office via Remedy 907484-A1 on October 17, 2017. His filing was rejected on November 3, 2017, for failing to include a copy of his institution filing, and he was given fifteen days to properly resubmit his appeal. Walker filed Remedy 907484-A2 on December 4, 2017. His remedy was denied at the Central Office on January 11, 2018. Attachment D is a true and correct copy of the filings in Remedy 907484.

I hereby state under penalty of perjury pursuant to the provisions of 28 U.S.C. § 1746 that the above is accurate to the best of my knowledge.

Administrative Remedy No. 907484-A2
Part B - Response

This is in response to your Central Office Administrative Remedy Appeal wherein you claim while housed at USP Lewisburg, you were placed in four point restraints and did not receive water, food, medical attention and appropriate toiletries. For relief, you request monetary compensation and an investigation.

We have reviewed documentation relevant to your appeal and, based on our findings, concur with the manner in which the Warden and Regional Director responded to your concerns at the time of your Request for Administrative Remedy and subsequent appeal. Pursuant to Program Statement 5566.06, Use of Force and Application of Restraints, staff are authorized to apply physical restraints necessary to gain control of an inmate who appears to be dangerous because the inmate destroys government property. A review of the matter indicates you were appropriately placed in four point restraints on two separate occasions when you flooded your assigned cell. You were provided the opportunity to eat, consume water and use the toilet. Also, medical assessments were conducted. You provide no evidence staff acted outside the scope of their duties or contrary to established policy or procedures.

The Administrative Remedy Program does not provide for monetary relief. Your request for monetary compensation should be pursued through the appropriate statutorily mandated procedure to resolve this issue. You can obtain the proper forms from your unit team.

Accordingly, your appeal is denied.

Part A—REASON FOR APPEAL: Regional Director's response to my BP-10, is incomplete, irresponsive, and full of inaccurate allegations, and therefore, should be revoked with instructions to conduct a comprehensive and impartial investigations to put an end to the abuse perpetrated by BOP employees at USP Lewisburg, and eventually to afford me just compensation for the damages and vexation endured during my imprisonment at the place.

Based upon the foregoing, I respectfully request that this appeal be fully investigated by Bureau of Prisons of the Department of Justice Civil Right Division, and/or any other proper department or entity, thus I may obtain just compensation as provided by law.

Thank you for your attention and time and effort in this matter.

BP-10 Response

Regional Administrative Remedy Appeal No. 907484-R1
Part B - Response

This is in response to your Regional Administrative Remedy Appeal received September 6, 2017, in which you request the use of four point restraints be discontinued. Specifically, you allege you spent ten days in four point restraints while being housed at USP Lewisburg, without proper medical treatment, water, food, or appropriate toiletries. For relief you request this matter be referred to the Warden of USP Lewisburg and he be ordered to conduct a thorough investigation.

A review of this matter was conducted and the following information was ascertained. While housed at USP Lewisburg you were placed on four point restraints on two separate occasions. On March 21, 2016, you were placed in four point restraints for flooding your assigned cell while in Ambulatory Restraints. Documentation reviewed determined you were seen by medical staff every eight hours and provided the opportunity to drink water and use the toilet, which you refused. You were in this status for approximately a twenty-four hour period and your restraints were removed.

On May 5, 2015 while in Ambulatory Restraints, you were placed in four point restraints for flooding your assigned cell. Based on your ongoing disruptive behavior you remained in this status for a period of seventy-two hours. During this time, Medical assessments were conducted in accordance with policy. You were provided the opportunity to eat, consume water, and to use the toilet.

The use of restraints is a necessary deterrent to allow inmates who become destructive and/or display signs of eminent violence an opportunity to regain control of their emotions and to protect both staff and the inmate population around them.

Accordingly, your Regional Administrative Remedy Appeal is denied. If dissatisfied with this response, you may appeal to the Office of General Counsel, Bureau of Prisons, 320 First Street, NW, Washington, D.C. 20534. Your appeal must be received in the Office of General Counsel within 30 calendar days of the date of this response.

Part A—REASON FOR APPEAL: Warden's response to my request to put an end to placement of inmates on 4 points restrictions without water, food, medical attention, etc., for extended period of times, while in the SMU Program at Lewisburg, and for just compensation, etc. That there was not evidence that I had been endured such a punishment while Coleman USP-1, etc, (see attached BP-9 and response to it) is clearly erroneous and appeals to show a clear disregard for its function to properly investigate and resolve the matter according to the law and justice. As clearly explained in my BP-9, that "I was making this request directly to him because all my informal attempts to resolve the matter "while a Lewisburg, PA, Not while at Coleman USP-1."

Based upon the foregoing I respectfully requests to remand the case to the respondent warden, with instructions to conduct a true and comprehensive investigation in the matter or, in the alternative, to make a decision for yourself. Thus I may exhaust the administrative remedy necessary to this clear abuse of power and gross negligence against my person matter for judicial review.
